The Lamb's Supper Bible Study

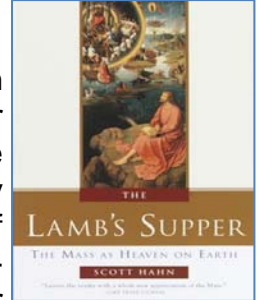

Book Study opportunities January 14,

Join Deacon Dennis Raczkowski, MPS

as he explores the book

The Lamb's Supper

By author **Scott Hahn**

This three week book study on Scott Hahn's *The Lamb's Supper* will reveal a long-lost secret of the Church: the early Christian's key to understanding the mysteries of the Mass was the New Testament's Book of Revelation. Author Scott Hahn will help readers see the Mass with new eyes, pray the liturgy with a renewed heart, and enter into the Mass more fully, enthusiastically, intelligently, and powerfully than ever before.

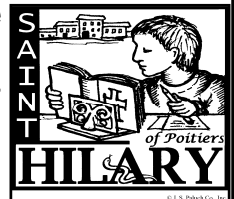

Study begins January 14 for three consecutive weeks. Sessions will run from 7:00 PM to 9:00 PM. You can purchase a copy of the book through a local bookstore or at Amazon.com. Register with the parish office at 623-939-9785.

SAINT HILARY

(c. 315-367) January 13

Born in Poitiers, France, whose populace would later elect him bishop, Hilary, married and a father, was converted from paganism to Christianity through his reading of scripture. The focus of his prayerful study was the Prologue to the Gospel according to John, which portrays Jesus as the divine Logos, eternally begotten of the Father. As a result, Hilary became in the words of the biblical scholar Jerome, "**the Latin Trumpet against the Arians,**" heretics who believed Jesus to be merely human, not divine. In defense of Christ's divinity, Hilary was not only eloquent in debate but utterly fearless in the face of relentless persecution and even exile. Thus by the witness of his own discipleship, Hilary taught that faith in Jesus as the divine Son of God has consequences. Reflecting on Jesus' challenge to his disciples, "**You are the salt of the earth**" (Matthew 5:13), Hilary notes that, as salt both preserves from corruption and adds savor to food, so must the faithful disciple bear a witness that, by word and example, leads others to immortality and virtuous living.

SAN HILARIO DE POITIERS

(c. 315-367) 13 de enero

Nació en Poitiers (Francia) y durante su juventud abrazó el cristianismo junto con toda su familia. Gracias a su ejemplo cristiano, su misma gente lo eligió como obispo en el año 353. Como obispo destacó por su formación intelectual y su firmeza en la defensa de la fe, especialmente contra los arrianos, un grupo de cristianos que negaban la divinidad de Cristo. Fue desterrado a Frigia (Asia) en el año 356, pero esto no le impidió defender a la Iglesia de los ataques, debatiendo incluso, a los obispos arrianos. Debido a la firmeza y conocimiento de causa con que combatía a sus interlocutores, los mismos arrianos pidieron al Emperador que lo regresara a casa, a su Iglesia, donde se habían mantenido fieles a sus enseñanzas. Con los obispos que habían cedido a los arrianos fue firme para hacerles ver sus errores, pero compasivo en su trato con ellos. Su celo por la fe, así como sus escritos le valieron el título de "maestro de las Iglesias". En 1851 el Papa Pío IX lo declaró Doctor de la Iglesia.
